

Chief Executive Officer's update on AgriSETA's Indicum system and Management Information System (MIS)

Valued stakeholder

AgriSETA has been transitioning from one service provider to another, for the purpose of providing a secure indicium system to the organisation's back-end website service. As with all public entities, the change was necessary and in line with the PFMA prescripts and Treasury's Regulations in support of public services.

To this end, we are pleased to announce that this process has been finalised for AgriSETA's Management Information System (MIS). In addition, the current Indicum system will continue to be accessible as part of data migration, to ensure the SETA provides its stakeholders with effortless and timeous support for online learner registrations and submissions of Work Skills Plans (WSPs) / Annual Training Reports (ATRs).

The deadline for WSP and ATR submissions, is Saturday, 30 April 2022 and we encourage you to make your submissions ahead of the said deadline.

The following functionalities are accessible on the Indicum System

- New SDF Registration
- Organisation registration approvals
- SDF registration and approvals
- WSP and ATR applications and submissions
- Skills Modules
- Learning Programmes' Modules
- Quality Assurance Modules

To access the system, follow the link <https://indicium.agriseta.co.za/Account/Login.aspx>

Enquiries may be directed to Mr Bavuyise Hermanus, Manager, Mandatory Grants via email: bavuyise@agriseta.co.za or cellular phone: 073 473 4767.

Sincerely

Innocent Sirovha (Dr)
Chief Executive Officer
